Funding Available for Your Sustainable Travel Projects

Are you part of a community group, charity, or social enterprise passionate about sustainable travel?

Apply now to our Community Sustainable Travel Grant, supporting organisations across the north east to encourage and promote active and eco-friendly travel projects and initiatives.

Eligible groups can apply for up to 100% funding for a variety of impactful projects, up to a maximum of £5,000. Projects might include, but are not limited to:

- Community Paths – enhancements to local paths to improve accessibility and encourage walking and cycling.
- Cycle Parking – installation of bike parking facilities to support cycling to facilities.
- Electric and Cargo Bikes – Acquiring electric or cargo bikes to use for community hire schemes, or as fleet vehicles.
- Travel Plans – Support to develop or implement comprehensive travel plans to support sustainable and active travel.
